

## ADDITIONAL LUNCH AND SNACK OPTIONS ARE HERE!

Hello St. Mark families,

As promised, we are expanding our lunch/snack program to include Subway and Booster Juice. Our first Subway Thursday will be November 2nd and our first Booster Juice snack day (available for first snack) will be available for November 3rd.

To place your order, log into your School-Day account by clicking [here](#) or simply go to [www.school-day.com](http://www.school-day.com). From your dashboard, click on 'PRODUCTS' and you will see our first pizza order. If you have yet to sign up for School-Day, please follow the instructions initially sent to you through the school.

### **\*\* ORDERING DEADLINE:**

We have firm order deadlines in order to notify our vendors well in advance. These deadlines can be found in the 'Expires' section of each order.

The order deadline for **Subway Thursdays** is the Saturday prior to the lunch. For the November 2nd Subway lunch, the order deadline is Saturday, October 28th at 11:59pm.

For **Booster Juice Fridays**, the order deadline is the Sunday before the snack day. For November 3rd Booster Juice, the order cut off is on Sunday, October 29th at 11:59 pm.

Noting the switch to School-Day this year from our previous online ordering system, we will only launch one day of each of these programs to begin with, to ensure the progress is a smooth transition. We will then begin to open up multiple weeks at a time for you to purchase.

We thank you for your continued support.
