Frequently Asked Questions

How many photos will you take?

You can expect 20-30 photos to select from.

Why do I need clean shoes? If I don't do I really need to take off my shoes?

With young children getting to their level creates an intimate and loving photo. This means sitting and laying on the floor. To keep your clothes clean we need to keep the floor clean!

I want to include the grandparents do I need two sessions?

No we can include them in one session.

I want to include my sister/brothers and her/his family do I need two sessions?

In this case the answer is **YES**. Because we'd like to offer them the full series of combinations with their own family as well as your families combined and cousin photos.

Do you have props for newborns?

Babies 0 to sitting (usually at 6-9 months) require extra time and specialized equipment to photograph. We are not set-up for individual newborns photos. However we can photograph newborns with a family member holding them.
