# SILENT NIGHT

*A Christmas Concert Celebration*

---

December 17, 2025  
12:30pm

St. Mark CES Gymnasium  
Doors will open at 12:15pm

We kindly ask that you plan to stay for the **ENTIRE** duration of the concert to ensure each class enjoys a full and lively audience.

The first three rows of seating on both sides of the gymnasium will be sectioned off. All families will have the opportunity to sit at the front of the gym during their child's performance. More information will be provided at the concert.

After the performance, parents/guardians who wish to sign out their child will have the opportunity to do so in the gymnasium. Sign out sheets will then go to the office and students will be called from their classrooms. Parents/guardians will be asked to exit from the south west gymnasium doors and pick up their child(ren) by the Kindergarten pen or front entrance. This will ensure the safety of students. Thank you for your cooperation.
